The **Stroke Comeback Center** is a community of survivors of stroke and other brain trauma, committed to living successful and productive lives. We are a non-profit organization that offers support along the slow road to better. Our members, our professionals, our volunteers, our coaches, and our families know that recovery continues forever.

**Stroke Comeback Center** offers classes for stroke and brain trauma survivors in all stages of recovery and all communication levels.

Joining our community begins with an initial intake meeting. Please call or email to schedule. We look forward to meeting you!
