

**Please join us as a Sponsor for the Stroke Comeback Center's  
*Mind Matters* Annual Luncheon**

The Stroke Comeback Center's *Mind Matters* Annual Luncheon will be held on Friday, November 3, 2017 at Hyatt Regency Tysons Corner Center. We are very excited to announce Dr. Majid Fotuhi, MD, PhD will be our keynote speaker for this event.

Dr. Fotuhi is an internationally recognized neurologist and is widely regarded as an authority in the field of memory, aging and increasing brain vitality in late-life. He has published articles in numerous peer-reviewed journals and is the author of three books – recently released *Boost Your Brain*, *Crosswords to Keep Your Brain Young* and *The Memory Cure*. National media such as The Washington Post, CNN, ABC, FOX News, Dr. Oz Show and the Today Show have interviewed him about his research and innovative "Brain Fitness Program".

All proceeds from this event will benefit the Stroke Comeback Center, which is the only nonprofit organization of its type in the DC metropolitan area. Opened in 2005, we are still the sole safety net for stroke and other brain trauma survivors when insurance no longer covers the professional support necessary for their recovery. The Stroke Comeback Center provides affordable services so that each person can continue their long-term rehabilitation. No one is ever turned away for lack of resources and services will never stop if a survivor needs them.

Your sponsorship will assure the success of our *Mind Matters* Annual Luncheon and provide critical resources for our stroke and brain-trauma survivors. Your support is a gift of hope and recovery for our community of survivors, their families and caregivers. Enclosed is information about our sponsorship levels and benefits.

If you have any questions about sponsorships or if you would like to learn more about the Stroke Comeback Center, please contact me at [dsw@strokecomebackcenter.org](mailto:dsw@strokecomebackcenter.org).

Thank you for your support and we look forward to seeing you at our *Mind Matters* Annual Luncheon.

Sincerely,
