# Living With Aphasia

## A NEVER ENDING JOURNEY OF HOPE

Join us for a screening of "Aphasia," starring Carl McIntyre, a film that explores the communication impact of aphasia.

---

**Thursday, February 7, 2019 | 7 – 8:30 p.m.**

Charles E. Smith Life Communities

Wasserman Residence | 6121 Montrose Road | Rockville, Maryland 20852

Following the film, Darlene S. Williamson, M.A., CCC-SLP, founder and executive director of the Stroke Comeback Center and president of the National Aphasia Association and CECLS' Post-Acute Care Center Rehabilitation Director Dr. Anthony J. Pellicane, M.D. will hold a discussion about living with aphasia.

### LEARN MORE ABOUT:

- How SmithLife® Homecare and Charles E. Smith Life Communities can help
- Impacts of aphasia on friends and family
- Recovery
- Role of the Stroke Comeback Center

Drawing will be held for an Alexa Echo Dot smart assistant.

---

Complimentary self-parking. Light refreshments will be served.
