

**THRIVING  
WITH APHASIA**  
*Celebration*

---

When a stroke or brain trauma causes aphasia, life can come to a sudden halt. Aphasia can impact all aspects of language - talking, listening, reading, and writing - but it does not impair intelligence.

Survivors at Stroke Comeback Center know that this isn't a time to retreat, but an opportunity to find a new path forward. With determination and support, our survivors find new ways to live full and productive lives. They don't just survive - they **thrive**.

In recognition of Aphasia Awareness Month, Stroke Comeback Center invites you to our 2<sup>nd</sup> Annual *Thriving with Aphasia* celebration. Join us as we enjoy live music, feast on tasty treats and drinks, and celebrate the many different ways our members **thrive** with aphasia.

**Thriving with Aphasia**  
**Thursday, June 29, 2023**  
**7:00 - 9:30 p.m.**  
State Theatre  
220 N. Washington St.  
Falls Church, Virginia 22046

Your support of *Thriving with Aphasia* allows us to provide meaningful programs to stroke and brain trauma survivors throughout their recoveries at rates that are affordable for all families. This includes our THRIVE Program of virtual and in-person fitness, yoga, art, and music classes designed to help our survivors live full and active lives. Most importantly, your generosity ensures that we can stay true to our mission of never turning away a survivor for financial reasons.

Sponsorships and tickets are available in the included materials and on our website at [strokecomebackcenter.org](http://strokecomebackcenter.org). Questions can be sent to [Connie@strokecomebackcenter.org](mailto:Connie@strokecomebackcenter.org). Join us on June 29 to see how **we thrive** -- and show us **how YOU thrive!**

*All sponsorships include an invitation to our VIP Welcome Reception 6:30 - 7:00 p.m. Individual event tickets are \$75 through June 16. Tickets increase to \$100 on June 17. Get yours today!*
