

Stroke Comeback Center.

Opening the door to a brighter tomorrow

Stroke recovery doesn't have to end.

We know recovery can continue forever.

Let's keep going

Stroke Comeback Center is a community of stroke and brain trauma survivors committed to living active, successful, and productive lives.

We are a community-based nonprofit organization that provides affordable classes for survivors with aphasia and other communication or cognitive difficulties, as well as adaptive fitness, wellness programs, social events, and care partner support.

Why Stroke Comeback Center?

Belonging to a community of survivors supports long-term health and recovery.

Communication & Cognition

Our programs support survivors with aphasia, a disorder that impacts all aspects of language, and cognitive changes that result from stroke or brain trauma.

THRIVE Program

Unique fitness, yoga, music, and art classes designed to help stroke and brain trauma survivors live full and active lives.

Family & Care Partner Support

Stroke impacts the entire family. Our Caring Connection group provides support for care partners, family and friends.

Community Events

Joining our programs gives you access to everything we offer, including our educational series and fun social events.

Stroke Comeback Center is committed to supporting stroke and brain trauma survivors and their families throughout their recoveries. We proudly offer a wide variety of in-person and virtual services. Our donor-funded scholarship program allows us to hold true to our mission that no survivor is ever turned away for financial reasons. We are the only organization of our kind in the greater Washington, DC area.
